

USER FLOWS

User Story: As a runner, I want to log a run so that I can track my activity throughout the week.

User Story: As a new patient, I want to share my medical history with my new doctor so that I can receive better care.

User Story: As a person with a history of eating disorders, I have a lot of records from different doctors. I want to collect them all in the same place so that I can easily see them and share.
